

COMPLETE FLEET SOLUTIONS BUILT AROUND YOU.

It all begins with you. We get to know your business by developing a deep understanding of how you use work trucks and what's required to take you to the next level. As a result, we develop tailor-made solutions for your fleet that addresses your unique needs.

With our decades-long track record of helping businesses of all sizes become more efficient and successful, you'll receive everything you need from a partner — engineering and manufacturing to upfitting and ongoing service through our national network of Reading Truck centers. We can customize any of our work truck bodies to your fleet's exact needs. Whether you have a fleet of 15 or 500, we can handle builds of all sizes and complexity.

A TEAM WORKING JUST FOR YOU.

Our dedicated fleet management team focuses on fostering strong, long-lasting relationships. We provide a group of experts to meet the unique needs of your fleet business, with a focus on agility and flexibility ensuring that you meet your goals. Working closely together, we form a unique partnership that exceeds your expectations.

SUPPORTED BY OUR NATIONAL DISTRIBUTION NETWORK.

Your fleet may operate from one location. Or have multiple locations around the country. Either way, you're covered through our national distribution network. We match your specific business needs to a location that can best support you. We're equipped to upfit to your specifications and outfit your fleet with whatever tools you require. Within our Reading Truck center network, you'll have access to mobile service, crane inspections, replacement parts, maintenance and more to keep your fleets up and running. It's one stop, convenient service for fleets of all sizes.

WORK WITH A LEADER WHO'S ALSO A PARTNER.

We're an end-to-end partner for your fleet. We offer a full line of work truck bodies built in America at multiple manufacturing plants. Our craftsmanship and attention to detail produces durable truck bodies that owners can depend on for the long haul. And, our innovative drive means you'll partner with a company that's relentless about finding better ways to work and do business. Backed by the strength of JB Poindexter & Co, a privately held portfolio of businesses, we provide innovative services to transportation professionals.

As a leader in the industry, we are the partner you can count on.
